

Pré Regatta Training

As part of your preparation towards the chosen Regatta onboard “Ocean Breeze”, you will complete a two day intensive training session together with the “Ocean Breeze” skipper/owner’s representative & Crew members that will be running the boat with you .

This training on the water will equip you with the necessary information you require to be safe on board “Ocean Breeze” in all circumstances & the important insights that will make your experience & expectations come to life and to a help you score high in the Regatta.
